

# BABY'S VOICE

Is the joy of the household, for without it no happiness can be complete. Angels smile at and commend the thoughts and aspirations of the mother bending over the cradle.

The ordeal through which the expectant mother must pass is such that she looks forward with dread to the hour when she shall feel the thrill of motherhood. Every woman should know that the danger and pain of child-birth can be avoided by the use of Mother's Friend, which renders pliable all the parts, assisting nature in its work. By its aid thousands of women have passed this crisis in safety. **MOTHER'S FRIEND** is a safe, reliable, and valuable medicine for women. Sold by THE BRADFIELD REGULATOR CO., Atlanta, Ga.

## AMENDMENT

### Giving Members of the County Court More Pay Loses at Election.

The official returns from twenty out of the fifty-five counties in the state sent to the governor and being compiled by Gen. E. L. Boggs, gives the following total votes for and against the proposed amendments voted on at the November election:

Section 4 of Article 4—the voters' qualification amendment, for 12,472 against, 11,874.

Section 22 of Article 8—the county court amendment, for 9,722 against, 12,657.

While it is impossible to estimate how the remaining thirty-five counties will vote on the amendments, the indications rather point to the probable success of the voters' qualification amendment and the defeat of that providing for the increase of the pay of members of the county court from \$2 to \$4 per day.

The most signal opposition to the county court amendment so far heard from, was in Jackson and Preston counties.

In Jackson county the vote stands 585 for and 1,396 against, and in Preston county 1,125 for and 2,240 against. It seems that in Preston county a larger per cent of the voters expressed themselves one way or the other on the amendments than in any other county, at least so far as heard from.

In some of the counties not very much attention was paid to these amendments.

## ROY WAUGH

Is Backed by the Republicans of Upshur County for Speaker of House.

BUCKHANNON, Nov. 20—Public sentiment in Upshur county will be back of the candidacy of H. Roy Waugh for the speakership of the next house of delegates. His four years as prosecuting attorney has brought him prominently before the people and he is recognized as a man of ability, force and character.

Few men who have had experience in the legislature have been returned, and none of those who are available for the speakership. Mr. Waugh's legal training and ability mark him as available. He is a graduate of the Conference Seminary and of the State university and has a much wider acquaintance and a better show of election than any of them. Upshur will be thoroughly pleased with his selection, and is disposed to think that it is her turn.

### Thousands Have Kidney

### Trouble and Never Suspect It.

Most people do not realize the alarming increase and remarkable prevalence of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians who content themselves with doctoring the effects, while the original disease undermines the system.

What to Do. There is comfort in the knowledge so often expressed that Dr. Kilmer's Swamp-Root, the great kidney remedy, cures every ailment connected with the urinary system, and restores the system to its normal condition. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When you write mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

Jerome W. Stuart, a well known and successful real estate promoter of Buckhannon, was a visitor here Friday.

John L. Gawthrop was here last night from Elkins.
